WHAT TO EAT?

Williamstown Town Hall by the beach and just minutes from the CBD.

OK... so by now you've probably noticed our excitement for this year's Summer Institute opening ceremony at Williamstown Town Hall.

Established in 1837 as Melbourne's first port, Williamstown (affectionately called "willi" by the locals) has developed into a trendy seaside suburb with plenty of cafés and restaurants.

We thought you might like to stick around and grab a bite to eat, get to know your strand mates, or have a drink by the water... so here is a collection of places we think are worth looking into.

If you click on any of the links we've provided it will open up a menu for you to peruse.
